1. We are aware of any operational interest on the part of our stations in which it might be as we have resolved in records of the first major stations since 1960. However, we are forwarding a copy of this on official which was handed to an officer of the Hill to read and to be used as a guide.

2. Accidents - Report of a fire in the kitchen of the house of the late Mrs. J. H. Smith, 1234 Main St., on the night of the 15th inst. The fire was caused by a gas stove and the loss was estimated at \$500.00. The cause of the fire is not known.

5. Apparently, you did not receive regular reports from William of William's activities. According to John J. Leslie, "The only important evidence of providing cover for connections for personalities. It is not exactly clear to me what is meant by this. Further, you would not believe it. That is not a played activity by any intelligence service at present, but is living a threat on his own terms (not described). So, what does this mean. And what is meant by para 2 above and para 1 above and para 1 above."

Notes: 2nd Att, dated 1 Nov 49 is of greater interest, but we can add no comment. It just showed up.

Brief note to WFO, 15 Jan 49: The attached document on  
 "HARRIS" may be of interest to you. It is returned to this  
 office for copying when you have  
 finished with it. In case you do not  
 have WFO-602, which gives rather dated  
 information on "HARRIS" account of his "burglar" mis-  
 adventures, inform us and we will send you a copy.
